

BRAC University
Department of Computer Science and Engineering

Examination: Quiz 01
Duration: 25 Minutes

Semester : Spring 25
Full Marks: 15

CSE420: Compiler Design

Name:	ID:	Section:07
-------	-----	------------

1. Define Tokens, Patterns, Lexemes (3 x 2 = 6)
2. Difference between a compiler and an interpreter. (4)
3. Find out how many lexemes are there in the below code? How many tokens will be generated for the below code? (5)

```
int a;  
a = 8;  
ab[10] = a + ab[2];
```
